

## **Little Cabin in the Woods**

**SS-EP-5.2.3 Students will describe changes over time in communication, technology, transportation, and education in the community.**

**Early settlers to Kentucky used trees to build their houses from logs like the log cabin you saw in the museum.**

**How did the cabin look different from your house? Draw a picture of the log cabin and a picture of your house.**

**Log Cabin**

**Your House**

**How is the cabin at the museum like your house?**
